

Mme Arcari's Grade Two Newsletter

Hello! Welcome to the 2020-21 school year! I hope that your family had a summer filled with wonderful memories. I am Mme Natasha Arcari (formally Mlle Buchuk) and I will be your child's teacher. I am looking forward to an exciting and stimulating year together! I know this year will be different and new to everyone, but we are all in this together!

Communication: You can expect to receive a monthly newsletter from me with information on planned activities for the following month. Included in each

newsletter will be reminders, requests, special events, a monthly calendar, and theme updates. This will all be provided online on Brightspace and school website.

Please check your child's Brightspace **daily** as this is also a great communication tool. If you need to contact me, call the school, or email me at nbuchuk@bhncdsb.ca.

Goals: This year, an important focus in the class will be Mutual Respect and Independence.

I hope to nurture a learning environment where the students are respectful of themselves, others and property. I want to challenge the students to be responsible for their learning, by taking an active and independent role in the

class. I welcome your support in developing these skills.

Our learning agreements are:

- Mutual respect
- Attentive listening
- Statements of appreciation/ No put downs- Respect for others
- Respect for other people's property

Please remember: We have nut allergies in the school. Please do not send any food that contains nuts.

Also, I do not encourage the students bringing toys into the classroom as this causes much disruption and distraction. I thank you for your support in this.

Please have your child bring the following items to class:

- Pencils/ eraser
- Glue stick
- Pencil case

Thanks for your support in your child's learning.
