

June Newsletter Kindergarten

Hello Kindergarten Families!

Who could have imagined 10 months ago on September 3, 2019 that our year would be ending with distance learning and not in the classroom? We know this has been a challenging time for everyone. Mrs. White and I just wanted to say how grateful we are to all of you for being patient with us as we learned how to navigate this new reality. Delivering learning opportunities online for Kindergarten was not something either one of us had ever expected or even considered before. We appreciate you being kind as we figured out Brightspace and video classrooms. We miss the daily interactions with our Kindie Kiddos; their smiling faces, wonderful voices, interesting stories and those special "light bulb" moments where they discovered something new. Thank you for sharing their learning with us in Brightspace. We really appreciate it.

Over the summer, you will all continue to be in our thoughts and prayers as we do all we can to help Covid go away. Stay safe, stay healthy and fingers crossed we will be together in some way in September.

Have a good summer!

Letter to Parents

We've worked with your flower

And helped it to grow.

We're returning it now,

But we want you to know,

This flower is precious:

As dear as can be.

We loved and cared for it

And now you will see

A bright new bloom

with every day.

It grew and it blossomed

In such a wonderful way ~

In August, just a bud

Then January a bloom.

Now a lovely blossom

We're returning to you.

Remember, this flower

As dear as can be

Though rightfully yours,

Part will always be with Mrs. White and
me.
