Re: Prevalent Student Medical Conditions

Dear Parent/Guardian:

The safety and well-being of children in our care is of the utmost importance to the staff within our school. If your child has a prevalent medical condition that requires support or monitoring, we request that you contact the school as soon as possible to ensure that our staff have the necessary information to ensure your child is safe while at school.

The following are medical conditions that require a **Plan of Care** as determined by Brant Haldimand Norfolk Catholic District School Board policy and/or provincial legislation. The **Plan of Care** will be completed in collaboration with the school administrative team:

- **Asthma** – Please complete the Asthma Plan of Care
- **Anaphylactic Reactions** – Please complete the Anaphylaxis Plan of Care
- **Diabetes** – Please complete the Diabetes Plan of Care
- **Epilepsy** – Please complete the Epilepsy Plan of Care

If your child has any of the aforementioned conditions and you have not yet completed the required forms, please access all forms on our school website under School Forms tab.

Please note: It is the responsibility of parents to notify schools of any medical concerns and to update the Plans of Care on an annual basis. Emails can be sent to mpetruccelli@bhncdsb.ca

For more information regarding specific School Board policies or procedures concerning specific medical conditions, please visit: http://www.bhncdsb.ca.

Sincerely,

Mary Leonard
Principal
